SUBJECT: → Final Case Closure By Closure Committee for P&A Heating and Air  
Conditioning: With Conditions Met  
520 W. Main Street, Hilbert, Wisconsin  
WDNR BRRTS # 03-08-477757

Dear Mr. and Mrs. Stephany:

On January 11, 2005, the Northeast Region Closure Committee reviewed the above referenced case for closure. This committee reviews environmental remediation cases for compliance with state laws and standards to maintain consistency in the closure of these cases. On January 12, 2005, you were notified that the Closure Committee had granted conditional closure to this case.

On February 7, 2005 the Department received final correspondence indicating that you have complied with the conditions of closure (submitted well abandonment forms). Based on the correspondence and data provided, it appears that your case has been remediated to Department standards in accordance with s. NR 726.05, Wis. Adm. Code. The Department considers this case closed and no further investigation, remediation or other action is required at this time.

Your site will be listed on the DNR Remediation and Redevelopment GIS Registry of Closed Remediation Sites. Information that was submitted with your closure request application will be included on the registry. To review the sites on the GIS Registry web page, visit <http://dnr.wi.gov/org/aw/rr/gis/index.htm>. If your property is listed on the GIS Registry due to
